ZRA ANNUAL CONFERENCE • GRANBY QUEBEC CANADA • OCTOBER 7-13

2019 ZRA Annual Conference

Zoo Granby – Granby, QC

October 7-13, 2019

Tracks Animal Management Software Workshop

October 9, 2019 from 1:00PM-5:00PM

Tracks Animal Management Software welcomes all current Tracks users, as well as those interested in learning more about the system, to participate in a skills-building workshop at the 2019 ZRA Annual Conference.

Tracks representatives, including a panel of current users, will provide training on the newest features; answer participant's questions; and provide guidance for making the software a success at your institution.

There will be plenty of opportunities to learn from other Tracks users, provide feedback on features, and make requests for future development.

This will be a great opportunity for users to become more proficient at using this comprehensive application.
