Aquarium du Québec

Come and meet the 10,000 marine animals that inhabit the Aquarium: fish, reptiles, amphibians, invertebrates, and sea mammals. Among them, walruses, and seals will provide you with unique moments.

This guided visit will make attendees discover plenty of different species housed on site, participate to their nutrition and training while talking with curators and keepers. Visit of the clinic and surgery rooms as well as the laboratory are also on the program. Lunch is offered by the Aquarium du Québec.

Québec City

A UNESCO World Heritage treasure, Old Québec is the only fortified city north of Mexico. Bask in the European charm as you stroll through the old quarters and take in over 400 years of history in the birthplace of French North America.
