BACK, LIVE FROM NASHVILLE!
2022 ZRA CONFERENCE · OCTOBER 10-15

Dear ZRA Members:

The ZRA Annual Conference Program has been finalized. A copy can be found here: 2022 ZRA Annual Conference Program. The Committee is also happy to announce that our 2022 event app is live. You will find that the app includes the full conference schedule, including information on each session. It also contains all the speaker information, useful map locations and many other fun tidbits. We will post announcements to the app throughout the Conference, so you'll want to visit regularly. This app will take the place of our printed programs, so we encourage you to download the LINEUPR app on your chosen electronic device or desktop, today! You can access the app via the link or QR code below.
